The Paschal Neighborhood Association Newsletter

Volume V Issue 3

Message from the President

James Hawks

Hot and quiet seems to describe things this summer. Except for the construction on Wayside, things in the Paschal Neighborhood have been peaceful and calm. We have had less than a handful of reports of theft and no other reports of any other kinds of offences according to our Neighborhood Police Officer—Mark Russell.

Paschal Neighborhood Association filed its first tax return in 2009 for the 2008 tax year. Further, we have submitted our application for tax exemption to the IRS. Paschal N. A. is seeking tax exemption as a 501(c)(4)—Social Welfare Organization. There are several neighborhood associations in Fort Worth that serve their neighbors as we do and have gained the 501(c)(4) status. We are strictly voluntary and do not require membership.

Wayside is getting a make-over. The city is presently reconstructing Wayside in our neighborhood. Water lines are to be replaced and the street is to be resurfaced. The work is to be paid for from 2004 Bond Funds that fund the Capital Improvement Program.

Mensaje del presidente

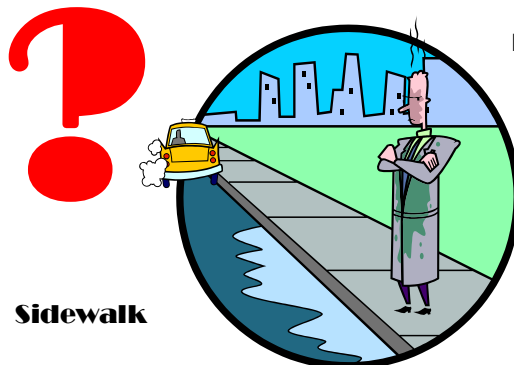

James Hawks

Caliente y calmado parece ser lo que describe este verano. Con excepción de la construcción que se está llevando a cabo en Wayside, las cosas en el Vecindario Paschal han estado tranquilas y pacíficas. Hemos tenido muy pocos reportes de robo y ningún otro tipo de reporte de delitos o atentados, de acuerdo al Agente de Policía de nuestro Vecindario – Mark Russell.

La Asociación de Vecinos Paschal envió su primera declaración de impuestos en el 2009 para el año 2008. Aun más, le presentamos a la Agencia Tributaria de E.E.U.U. (IRS por sus siglas en inglés) nuestra solicitud para exención de impuestos. La Asociación de Vecinos Paschal está tratando de obtener exención de impuestos como una Organización de Bienestar Social – 501 (c)(4). Varias asociaciones de vecinos en Fort Worth que ayudan y sirven a sus vecinos como nosotros han sido reconocidos como 501 (c)(4).

Wayside está pasando por un cambio de imagen. La Ciudad está reconstruyendo Wayside en nuestro vecindario. Van a cambiar la tubería del agua y repavimentar la calle. El trabajo va a ser pagado con los Bonos del 2004 que financian el Programa de Mejoras Capitales.

Where has Adam Stone been lately ?

Adam Stone, past president of the Paschal Neighborhood Association, has been serving in Iraq for the past year.

Sergeant Adam Stone enlisted in the reserves in 2007 as a broadcast journalist and has been on his first deployment to Iraq with the 343rd MPAD supporting Multinational Division – South Public Affairs. As a correspondent this last year, Adam has been working in Iraq and has covered places with names like Basrah, Baghdad, and Maysan Province. He has been recording and reporting on events like military unit celebrations, ceremonies marking the occasion of U.S. military transfer of control to Iraqi authorities – , and shout-outs (those are the reports you see on TV, from time to time, where a soldier says hello to their family).

Adam should be back soon as his tour of duty ends.

We want to thank all of our Vets in the neighborhood for their service to our country!
It means a lot to all of us!

If you would like to see some of Adam's work and read how he is doing you can follow his blog:

www.stonereportblog.com

National Night Out will be October 6, 2009. Paschal N A will be participating!

See our flyer in September for more information.

¡Deseamos agradecer a todos nuestros veteranos en el vecindario por servir a nuestro país! ¡Realmente significa mucho para nosotros!

¿Dónde ha estado Adam Stone últimamente?

Adam Stone, ex presidente de la Asociación de Vecinos Paschal, ha estado sirviendo en Irak este último año.

El Sargento Adam Stone se alistó en la reserva en el año 2007 como periodista de televisión y radio y ha estado en su primer despliegue de tropas a Irak con el 343rd MPAD apoyando la División Multinacional – Asuntos Públicos del Sur. Como corresponsal este último año, Adam ha estado trabajando en Irak y cubriendo lugares como Basrah, Baghdad y la Provincia de Maysa. Ha estado grabando y reportando eventos tales como celebraciones de la unidad militar, ceremonias que marcan la ocasión de transferencia de control de la milicia de EE.UU. a las autoridades iraquíes, y otros reportajes como los que de vez en cuando ve en la televisión, donde un soldado está saludando a su familia.

Se espera que Adam regrese en cuanto termine con sus obligaciones.

— See Sheree Collins' new ad below!

Paschal Neighborhood Association would like to thank **Mabi Ramirez** and **Victoria Capik** for interpreting and translating for our newsletter and neighborhood meetings!

Resident NA Memberships Available

It's time to pay your annual Paschal Neighborhood Association dues. Resident dues are just \$10 per year per household (no matter how many family members live in the home). The funds are used to print the flyers and newsletters that keep everyone informed about the many events and issues that affect our neighborhood.

You can pay your 2009 dues at the January meeting. For more information, contact Anita Horkey, Paschal NA secretary, at 817-707-9209 or ALHorkey@yahoo.com.

Before Extreme Heat

To prepare for extreme heat, you should:

- Install window air conditioners snugly; insulate if necessary.
- Check air-conditioning ducts for proper insulation.
- Weather-strip doors and sills to keep cool air in.
- Cover windows that receive morning or afternoon sun with drapes, shades, awnings or louvers. (Outdoor awnings or louvers can reduce the heat that enters a home by up to 80 percent.)

Keep storm windows up all year.

During a Heat Emergency

What you should do if the weather is extremely hot:

- Stay indoors as much as possible and limit your exposure to the sun.
- Stay on the lowest floor out of the sunshine if air conditioning is not available.
- Consider spending the warmest part of the day in public buildings such as community centers, schools, movie theaters, shopping malls and other community facilities. Circulating air can cool the body by increasing the perspiration rate of evaporation.
- Eat well-balanced, light and regular meals. Avoid using salt tablets unless directed to do so by a physician.
- Drink plenty of water. People who have epilepsy or heart, kidney or liver disease; are on fluid-restricted diets or have a problem with fluid retention should consult a doctor before increasing liquid intake.
- Limit intake of alcoholic beverages.
- Dress in loose-fitting, lightweight and light-colored clothes that cover as much skin as possible.
- Protect your face and head by wearing a wide-brimmed hat.
- Check on family, friends and neighbors who do not have air conditioning and who spend much of their time alone.
- Never leave children or pets alone in closed vehicles.
- Avoid strenuous work during the warmest part of the day. Use a buddy system when working in extreme heat, and take frequent breaks.
